

Results for HBI Cycling 2010

We want to thank our sponsors for another great year: Erie Insurance, Richmond Insurance, Marion Center Bank, Coy's Pizza, and Trailz End Bicycles.

This year, along with racing, HBI Cycling (especially Ben) put a lot of time in creating the YC monthly series. He and Jay Thompson did a great job in putting on a local race series at Yellow Creek State park on the last Sat. of every month starting from March running through November. This series raised money for trails and programs at Yellow Creek State Park. We look forward to this in 2011. We also welcomed Anthony Capan to the team this year.

Here are some results highlights in 2010.
